### Act2 Project

The Act2 Project team is excited to announce the release of its latest report, *Act2: In Response to God's Call*.

It emerges from one of the biggest direct consultation processes the Assembly has ever undertaken, during which the Act2 team has contacted almost every Uniting Church community and personally visited every state and territory to sit down and learn from people across the Uniting Church.

In the words of Jesuit theologian Walter Burghardt, the report is a "long, loving look at the real" of our Church at this time, offered in love and hope, and drawing from a deep well of insight gathered over the last six months.

The report is now available to [read in full](#). It brings together a summary of what the team has heard, theological reflections and a set of directions and options for the future, which the Church is now invited to consider together.

**Save the date for the formal launch of the report on Thursday 13 July (1:00pm AEST, 12:30pm ACST and 11:00am AWST) via Facebook Live.**

Join Uniting Church President Rev Sharon Hollis and Act2 Project Lead Andrew Johnson as they introduce the report, take your questions in real-time and outline the opportunities to engage and discern during the next phase of the Project.

Click 'Going' or 'Interested' [on the Facebook event](#) to stay in the loop!

## PreachFest

*PreachFest!* brings together preachers from all back-grounds and cultures who share a passion for proclaiming the inspirational and transformational message of Scrip-ture. It is a space designed for you to connect, learn, and be inspired by other ministers, pastors, and teachers of bible, theology and preaching. **It is a 3-day festival created to inspire and enliven the craft, art and vocation of preaching across churches in Australia.** This year it will take place from **1 – 3 November**, and we are excited to organise a Virtual Hub for this event. Kalamunda UC will be our host.

Look at the website <https://www.nswact.uca.org.au/calendar/preachfest-2023/> to get an idea of what an exciting learning opportunity this will be for anyone involved in preaching and leading worship.

Please pencil in the dates in your diaries (electronic if you wish), and we will let you know when registration for the Virtual Hub in WA will be open for registrations.

## NAIDOC Week

From this **Sunday 2 July until Sunday, 9 July**, Australians will mark NAIDOC Week. The NAIDOC Week theme for 2023 is "For Our Elders", a tribute to the important role played by Aboriginal and Torres Strait Islander Elders in their communities and in our nation. Check out our list of five ways you could celebrate NAIDOC Week in your community, including prayers from our Walking Together as First and Second Peoples Circle.
